In Celebration of Learning

Renee Johnson, James Neild, Cassandra Nickerson and Samantha Wylie have been selected to receive awards from the Stevenson Scholarship Fund to be used for their education expenses.

The Stevenson Scholarship Fund was established from a donation provided by the Stevenson family to help defray some education costs for selected LUMC college students. Proceeds from the invested funds provide for annual awards. The students submit an application and an awards committee evaluates and selects the eligible recipients.

The entire LUMC community is proud to support these deserving individuals of our church and wish them success in pursuit of their education goals.

Covid-19 Impact Fund Is Making a Difference

Sometimes, simply making a difference is all that's needed. The Covid-19 Impact Fund has been doing just that! Reaching about \$15,000 at its start, we've distributed a bit more than \$1,500 to pay 2 rents, make 1 car repair, buy 1 bundle of groceries, and help one

person get current with their electric bill. We are working with several churches in the borough as well as Manna on Main to share the interviewing of those in need and the cost associated with helping. It's been a rewarding experience. In addition to the congregational and community care, we've also paid to buy PPE to return to worship safely at the right time, and pay for costs associated with the LiveStream broadcasts on Sunday mornings.
