THIS YEAR'S GIVING TREE LOOKS A LITTLE DIFFERENT

Greetings,

I pray that everyone is doing the best they can in this challenging year. Although fall has only recently arrived, the Christmas season is just around the corner.

It will soon be the time that the Missions committee would usually be setting up the Giving Trees, with the various color tags with gift requests. This year we cannot set up the Giving Trees and follow the usual procedure. However, the organizations that we support have as much need (or more!) this year as any other year. We are still planning on supporting Laurel House, Methodist Services, and the Glad Tidings Christmas gift shop at Haws Avenue UMC.

This year we are not requesting any specific gifts due to concerns regarding shopping, collecting gifts, and delivering gifts. We are asking anyone who is considering supporting this Mission to make a donation for any amount you feel is appropriate by check or cash (sent to or delivered to LUMC); please be sure to mark "Giving Tree" on the memo line of your check. You can also give via text or online through the [LUMC website](#). We will send the money to the organizations and they will purchase gift cards or gifts.

We would like to have all donations made by Sunday, November 15, so that Pastor Bill can bless these gifts at the November 22 service.

Thank you for your support.

May God Bless You,
Mark Reinmiller (for the Missions Committee)
