We've got an idea to float by you! We've gone this far with Covid-19! What more do we need? We need to keep our Ark afloat!

Covid-19's disruption still waves across the spectrum of life. It disrupts daily routines at home, school, and work. It disrupts weddings, funerals, and graduations. It disrupts access to travel, medical care, entertainment, and places of worship. It disrupts the economy and industry from restaurants to car manufacturers. It disrupts sports for athletes and fans of every age. It's even disrupted an election. We're not through the storm yet. But we're getting through it! Return to In-Person Worship Is On Hold!

By Pastor Bill Lentz

Friends in Christ!

There's great interest in returning to in-person worship as soon as possible. People are missing the church terribly. I know this very well. I

miss seeing and worshiping with you too. However, we're still in a pandemic emergency, and it's not safe, faithful, or prudent to return yet. The spread of Covid-19 is more virulent now than in the spring and summer. While a vaccine is in sight, it won't likely be available for mass inoculations until well into 2021. So, for now, let's see how the second wave progresses. I'll continue to monitor daily the medical status of the county and borough. I'll keep the congregation posted. My prayers are with you as I eagerly await the return! Be well.

Peace,

Pastor Bill.

Advent Zoom Bible Studies

You can join your congregation-friends and me at two Bible Studies during the Season of Advent. We meet on Tuesday mornings at 10:00 a.m. and Thursday evenings at 7:00 by Zoom! As we've done so far, we'll look at the Tuesday and Thursday daily lectionary readings for the season. You can make the study a spiritual practice to get you ready for, perhaps, the most unusual Advent and Christmas seasons in our lifetimes! I hope you join in! You'll find the Zoom Bible Studies links [here](#).

From Church and Society Committee

November is **Native American Heritage Month**, a time to remember that Native Americans live and work among us today. They are not just names for roads and rivers or names for 26 states in our nation. They are more than a mascot for sports teams that typically display a stereotypical logo that is demeaning and offensive.

November's Mission Emphasis -- Red Bird Mission

Red Bird Mission was founded in 1921 in the southeastern corner of Kentucky to provide education and Christian evangelism ministries to residents of the area. The Mission was started by the Evangelical

Church on a small piece of property, at the confluence of Cow Fork and the Red Birth River. Click [here](#) to learn more about the Red Bird Mission. You can support *November's Mission Emphasis* in three easy ways: Snail mail your check payable to LUMC with the memo line: "Red Bird" and put it in your Blue Envelope. Or go to the [giving page](#) on our website; click the "Giving" dropdown menu and search for *Red Bird*. Or, you can send a text message of your gift to 73256 with the message "Lansdale First UMC." Thank you for your generous support!

Covid-19 Impact Fund Is Making a Difference

Sometimes, simply making a difference is all that's needed. The Covid-19 Impact Fund has been doing just that! Reaching about \$15,000 at its start, we've

distributed a bit more than \$1,500 to pay 2 rents, make 1 car repair, buy 1 bundle of groceries, and help one person get current with their electric bill. We are working with several churches in the borough as well as Manna on Main to share the interviewing of those in need and the cost associated with helping. It's been a rewarding experience.

In addition to the congregational and community care, we've also paid to buy PPE to return to worship safely at the right time, and pay for costs associated with the LiveStream broadcasts on Sunday mornings.

Save Your Redner's Receipts!

The UMW is still collecting them. You can either put them in the mail slot by the 4th Street door or simply mail them to the church. Thank you!

UPDATED! – COVID-19 STATUS – NEW!

Commonwealth in a Spike

As of Monday, November 9th, the Commonwealth of PA is reporting the highest case totals of Covid-19 since this odyssey began in March--3,402 new cases. The positivity rate is on a steep rise in Montgomery County. LUMC will remain in its current status of closed to all activity until further notice, except for the LiveStream service on Sunday mornings and other approved exceptions made by the Pastor or the Trustees. Faithful, prudent, and safe decisions will be announced when applicable. In the meantime,

please commit yourselves to prayers for all those who have suffered personal and economic losses during the pandemic emergency.
