Covid-19's disruption is still waving across the spectrum of our lives. The weeks between Thanksgiving Day, Christmas, and the New Year celebrations look to be quite difficult from a public health perspective. Covid-19 disrupts daily routines at home, school, and work. It disrupts holiday traditions, weddings, funerals, and graduations. It disrupts access to travel, medical care, entertainment, and places of worship. It disrupts the economy and industry. It disrupts food security, creating miles-long lines at food pantries. A vaccine is on the horizon, presenting the first glimpse of light that this too shall pass! ### **New Leaders in 2021!**

Last October, LUMC's leaders met for the annual Charge Conference with the new district superintendent, Dr. Andrew Foster. At that conference, interim officers in the church's administrative life were elected to serve through June 30, 2021. We welcome Kris Neild as Church Council chair, Samantha Satyavrata as Staff-Parish Relations Committee chair, Bob Kennedy as the new Board of Trustees chair, and Wayne Wylie vice-chair, Luann Ingram as secretary, and John Dasch as trustee accounts treasurer. Pastor Bill is chair of the Nominations and Leadership Development Committee (by UM Book of Discipline). He will continue to convene the Finance Committee until a new chair is selected. LUMC will return to holding a Church Conference to elect leaders sometime in March or April of this year. The Nominations and Leadership Development Committee begins working this month on developing a new slate of nominees. We thank those who have answered the call to serve!

## January's Mission Emphasis -- Manna on Main Street

Manna on Main Street is committed to ending hunger in the North Penn region by providing food, fulfilling social service and education needs, and conducting community outreach. Through a food pantry and soup kitchen, emergency financial aid, counseling and referrals, and education opportunities, we serve those in need with the hope “that everyone might be fed.” Missions supports Manna through our special envelopes that focus on different needs each month. You can support *January's Mission Emphasis* in 3 easy ways: Snail mail your check payable to LUMC with the memo line : “Manna on Main Street” and put it in your Blue Envelope. Or go online to [www.lansdaleumc.org/giving](http://www.lansdaleumc.org/giving). Click the “Giving” dropdown menu and search for *Manna on Main Street*. Or, you can send a text message of your gift to 73256 with the message “LansdaleFirstUMC.” Thank you for your generous support!

## February's Mission Emphasis -- United Methodist Camps

The Eastern PA Conference owns and operates four unique, scenic camp and retreat centers spread across different regions of the conference: Pocono Plateau in the upper Northeast; Carson-Simpson Farm just north of Philadelphia; Innabah, more centrally located in Spring City; and Gretna Glen in the Northwest area. Lansdale UMC provides support for camps by raising money for camp needs, scholarships, and by sponsoring work days at Camp Innabah.

## Special Lansdale UMC Collection

### Covid-19 Impact Fund Is Making a Difference

Sometimes, simply making a difference is all that's needed. The Covid-19 Impact Fund has been doing

just that! Reaching about \$15,000 at its start, we've distributed over \$4,000 to pay 6 rents, make 1 car repair, buy 1 bundle of groceries, help one person get current with their electric bill, help one person get current with their health insurance premiums, and partner with another UMC to provide Christmas presents for 2 families. We are working with several churches in the borough as well as Manna on Main to share the interviewing of those in need and the cost associated with helping. It's been a rewarding experience. In addition to the congregational and community care, we've also paid to buy PPE to return to worship safely at the right time, and pay for costs associated with the LiveStream broadcasts on Sunday mornings.

### Save Your Redner's Receipts!

The UMW is still collecting them. You can either put them in the mail slot by the 4th Street door or simply mail them to the church. Thank you!

### Need Help With Remote Learning?

We have a person in our congregation, certified in teaching K12 with an area of interest in math, who is offering their services to any parent or student having trouble with remote learning. If you're a parent who needs some guidance in how to assist your child(ren) learning remotely, please contact the church office, and Becky can put you in contact with them. Help is available for both parents and students.

## Return to In-Person Worship Continues On Hold!

Grace and peace to the people of LUMC:

My prayers are always with you. I pray for your health and wellness. I pray for your ever-deepening relationship with God the Father, God the Son, and

God the Holy Spirit. It's wise to review from time to time where we are at LUMC relative to the pandemic emergency and a return to in-person worship. Our church's "Phased Reopening Guidelines" were approved last June and are in play today. You can read the guidelines when you [click here](#). The guidelines obligate LUMC to follow the directives of the CDC and the Commonwealth. Currently, Montgomery County is in a "red zone" as defined by the directives. Red zones have more than 100 new cases per 100,000 residents and a diagnostic test positivity result of above 10 percent. Lansdale's test positivity rate is 10.23% as of January 11. The red zone restricts gatherings. Therefore, keeping in-person worship on hold based on the numbers and our own guidelines is in order. Remember, every Thursday, a Covid-19 alert is updated and published in the eCR (at the bottom) and in the bulletin that's mailed bi-weekly to congregants who are not online. The bulletin is also uploaded onto the website under the worship section at the Sunday Bulletins subsection. In that update, case numbers and positivity rates in the Commonwealth and Montgomery County are reported. We'll publish the weekly update on the website banner for easier access for those comfortable with technology. Since the vaccine rollout is slow, it's impractical to speculate on when we'll return to anything that looks "normal" on Sunday mornings. As you no doubt know, vaccinations for Covid-19 are slowly being distributed. Higher vaccination rates will be helpful in the long run. Please get your vaccination when it's available to you! Once we see how vaccinations are progressing within the congregation, we'll look to returning to in-person worship. Remember, it's still unclear if vaccinated people can carry and transmit the virus. Vaccination is not a cure-all, but it is a very positive and hopeful sign. We can all understand and sympathize with the loss and pain Covid-19 is causing the church. We long to be with each other. We also need to protect the congregation. As the church's pastor, along with its leaders, we take the responsibility to do that. Following the Covid-19 Phased Reopening

Guidelines of LUMC is the way to go forward for the time being. Your responses and questions are welcome.

In the name of Christ, our Lord,

Pastor Bill

**UPDATED! – COVID-19 STATUS – NEW!**

For the week ending on Thursday, January 14, Lansdale's incidence rate of new coronavirus cases was 475 per 100,000 residents. Lansdale's positivity rate is 9.58%, which is above the target minimum rate of 5%. The current rate indicates an outbreak is still in progress and the virus is not under control. Please get your vaccination when your group is called. The county's vaccine webpage is <https://www.health.pa.gov/topics/disease/coronavirus/Vaccine/Pages/Vaccine.aspx>.

Based on the current 14-day data, LUMC will remain in its current status of "limited opening" until further notice. An exception is made for the LiveStream service on Sunday mornings and other approved exceptions determined by the Pastor and the Trustees. Faithful, prudent, and safe decisions will be announced when applicable. In the meantime, please commit your prayers for the 1,099 county residents who succumbed to the virus along with the more than 400,000 Americans. Please pray for all those who have suffered personal and economic losses during the pandemic emergency.
