### **The Season of Lent Continues!**

As we journey to the second stop on the Lenten path, the Second Sunday in Lent, the theme of *Passover Mercy* greets us with a message for the season during the LiveStream service at 9:00 a.m. on Sunday. We'll examine Mark's account of the Last Supper, bridging the account of Jesus' anointing from last week where Jesus, the woman, and Judas were prominent, to a moment when Jesus, Peter, and Judas are on stage. We shouldn't underestimate the quality of mercy in relationships. We're flawed--sometimes terribly flawed. Our words can hurt. Our actions can demean. And our thoughts can limit. In Lent, we use Pray, Fast, Give to find grace to change, make course corrections, get above the clouds, and see the vistas ahead where God is. May you find peace and joy for the journey.

### **New! Encouraging News to Share!**

At the recent meeting of the Finance Committee, our devoted treasurer, Darren Johnson, and financial secretary, Warren Shaedle, reported encouraging news that highlights the rising generosity of the members and friends of our

church. Darren presented a 2020 Finance-Year-in-Review through the "Fund Balance Report" we're required to submit each year to the Eastern Pennsylvania Conference of The UMC. In that report, \$393,670 was received last year from congregational and other resources. The church disbursed \$350,900 to administrative and operational accounts like conference and general church apportionments, salaries, materials, building, and other church life expenses. We also received and disbursed \$16,225 in additional benevolence money to help people in need in our community and beyond. Darren further reports that our fund balance at the end of January is \$62,440, a healthy picture at the beginning of a new year still in a pandemic emergency. For all the generous giving, Thank You! God Bless You! Keep up the Generosity!

A fund balance from 2020 receipts of \$42,700 was carried over into 2021. All bills owed in 2020 to various vendors, creditors, and others were paid in full. We did not, however, pay the full apportionments to the conference (connectional ministries fund) or to the general church (general church fund). Joyfully, we did remit 100% of the apportionment to the World Service Fund, the missions arm of the Church. As we advance in 2021 and 2022, LUMC has been approved for a \$14,000 (connectional ministries fund) apportionment reduction over two years (\$7,000 each year). We owe thanks to the new district superintendent, Dr. Andrew Foster, for his help in providing some temporary financial relief.

Warren gave a review of the results of the financial commitments for 2021. There, too, the news is encouraging. Make no mistake, the church remains in risky financial shape, but we're holding on by the grace of God and your generosity. The news: 28 pledges remain the same as last year (Good!); 15 pledges increased over last year (Wonderful! Remarkable!); 8 pledges are less or giving what they can (Faithful!). Recent deaths, job losses, and relocations remove nearly \$30,000 over last year. Our prayers are sent with love to all! Overall: Slightly less pledged (-1.2%), but more pledges than last year(!) and pledges fund a higher percentage of the budget this year at 51%(!) (v.47% in 2020) and the 2021 shortfall to fund the

entire budget is less than 2020 by \$4,200(!) Praise God from whom all blessings flow!

### Updated! 2021 Tools for Ministry!

On March 13, 2021, the EPAUMC offers this year's "Tools for Ministry" via Zoom. **Anyone serving our church on one of the**

**administrative committees (Finance, SPRC, Nominations and Leadership Development, and Trustees) or one or more of the several ministry areas** are invited to participate in the event. There are morning and afternoon sessions! Service training is a good way to stretch our spiritual gifts' muscles! Click [here](#) to be taken directly to the event page, where you can access the schedule, descriptions of workshops, and the registration material. (Pastor Bill will conduct a workshop on "Effective Church Audits!" that's not to be missed!!)

**The Church and Society Committee** recommends **Workshop #21 - Christopher Columbus: It's Time to Know the Truth!** Most of the stories we hear about Europeans "discovering" America is told from the European perspective. One key to overcoming racism involves listening to stories from alternate points of view. We will explore some of those alternate stories, using Christopher Columbus as a case study. Presenter: Rev. Gary Jacabella, a member of EPA Conference Committee on Native American Ministry. Read the full description in the brochure for Tools for Ministry.

### Black History Month: A Forgotten Lansdale Hero

There's a monument on the corner of North Broad and Seventh Streets in Lansdale that bears the bust of a man in bronze relief with his face sculpted at an angle looking toward a

building across the street. **Do you know who this man is and why the monument was placed in that position?** He's Dr. Frank Boston, a World War I veteran, military surgeon, community doctor, and founder of the Elm Terrace/Abington Lansdale Hospital and the Volunteer Medical Service Corps (VMSC) ambulance corps. Dr. Boston died in 1960, and his memory, long lost and

unknown to many in the area, is now being honored 60 years later for his accomplishments as a physician who very likely saved many lives and helped make Lansdale what it is today. Read Lansdale Mayor Garry Herbert's "Mayoral Musings: The Lost History of Dr. Frank Boston" [here](#). The Boston Legacy Foundation streamed a Zoom event on February 11, 2021, on Facebook, with panelists of local people talking about Dr. Frank Erdman Boston's life and times. It's the first in a series of panel discussions with the Boston Legacy Foundation. During this discussion, panelists speculated why the monument was placed across the street and not in the hospital's lobby. Dr. Frank Boston was an African American. You can watch the event on Facebook [here](#). The next event in the series is on February 25 at 3:00 p.m., when the Boston Legacy Foundation will be joining Bucks County Community College in a panel discussion via Zoom. It's open to the public on Facebook. Contact [Boston Legacy Foundation](#) for information. From the Church and Society Committee.

### Conversations on Race

Conversations on Race recently resumed with an analysis of the presidential election results and what they say about racism in America. Our group decided to concentrate its efforts on a meaningful Lenten experience to face the "isms"

(racism, sexism, classism) that keep us from meeting our neighbors eye-to-eye as equals in Christ's eyes, on a level plain. If you'd like to help plan the experience, you're welcome to join the conversation. The next Zoom Meeting will be announced soon. Here's the Zoom link:

### Congregational Development Team &

**Commission on Religion and Race.** On the heels of Gil Rendle's *Quietly Courageous* (Jan. 13 to Feb 3), the Congregational Development Team (CDT) Book Club will next launch into the Lenten season with a study of a new, highly

touted, instant classic ***Caste: The Origins of Our Discontents*** (2020), by Isabel Wilkerson, examines the unspoken caste system of race that has shaped America and shows how our lives today are still defined by a hierarchy of human divisions. Click [here](#) for more information on the Book Club's new study February 23 through March 23 at 11:00 a.m.

## February's Mission Emphasis - United Methodist Camps

Our Conference owns and operates four unique camps and retreat centers in different regions: Pocono Plateau (North District); Carson-Simpson Farm (East District); Camp Innabah (South District), and Gretna Glen (West District). Lansdale UMC supports camps by raising money for supplies, scholarships, and sponsoring work days at Camp Innabah. You can support *February's Mission Emphasis* in 3 easy ways: Snail mail your check payable to LUMC with the memo line: "UMC Camps" and put it in your Blue Envelope. Or go online to [www.lansdaleumc.org/giving](http://www.lansdaleumc.org/giving). Click the "Giving" dropdown menu and search for *UMC Camps*. Or, you can send a text message of your gift to 73256 with the message "LansdaleFirstUMC." Thank you for your generous support!

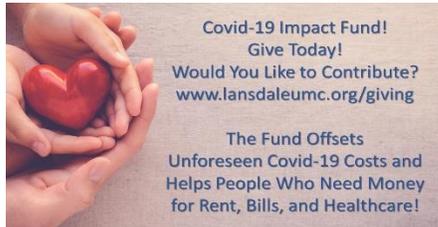

## March's Mission Emphasis – UMCOR Sunday (formerly One Great Hour of Sharing)—UMCOR Sunday falls this year on March 14.

Your generous giving to UMCOR Sunday is what allows UMCOR to act as the arms and legs of Christ's church, moving toward the most vulnerable in their darkest days. Convinced that all people have God-given worth and dignity—without regard to race, religion or gender—together we are assisting those impacted by crisis or chronic need. Because you give, the United Methodist Church's compassionate response to human suffering continues today:

- When tornadoes ripped through Oklahoma, we responded
- When children in Zimbabwe lost parents to AIDS, we responded
- When a massive tsunami devastated lives in Japan, we responded
- And when the next mass crisis occurs, we will be prepared to respond

UMCOR will be able to offer aid in Jesus' name to those who suffer because United Methodists give through UMCOR Sunday. In fact, it's your generous giving that allows us to respond when disaster strikes. You can support *March's Mission Emphasis* in 3 easy ways: Snail mail your check payable to LUMC with the memo line: "UMCOR Sunday" and put it in your Blue Envelope. You can go online safely and securely [here](#) to make a contribution today. Click the "Giving" dropdown menu

and search for *UMCOR*. Or, you can send a text message of your gift to 73256 with the message "LansdaleFirstUMC." Thank you for your generous support!

### Special Lansdale UMC Collection

#### Covid-19 Impact Fund Is Making a Difference

Sometimes, simply making a difference is all that's needed. The Covid-19 Impact Fund has been doing just that! Reaching about \$15,000 at its start, we've distributed over \$5,200 to pay 10 rents, make 1 car repair, buy 1 bundle of groceries, help one person get current with their electric bill, help one person get current with their health insurance premiums, and partner with another UMC to provide Christmas presents for 2 families. We are working with several churches in the borough as well as Manna on Main to share the interviewing of those in need and the cost associated with helping. It's been a rewarding experience. In addition to the congregational and community care, we've also paid to buy PPE to return to worship safely at the right time, and pay for costs associated with the LiveStream broadcasts on Sunday mornings.

### Save Your Redner's Receipts!

The UMW is still collecting them. You can either put them in the mail slot by the 4th Street door or simply mail them to the church. Thank you!

If you're a parent who needs some guidance in how to assist your child(ren) learning remotely, please contact the church office, and Becky can put you in contact with them. Help is available for both parents and students.

**UPDATED! – COVID-19 STATUS – NEW!**

**Cases Downticking Slightly!**

**On Tuesday, February 23**, Montco's rate of new coronavirus cases fell to 150 per 100,000 residents, an overall decline of 42% over the last 14 days.

The downtick is in the right direction, of course, and good news. Though hospitalizations are down, the number of deaths is still significant. The test positivity rate remains at 7%, still slightly higher than the recommended minimum rate of 5%. The fact that it's stalled a bit is a bit of concern, but it's moving in the right direction. At this level, the county is still listed at *very high risk* based on per capita cases and test positivity. Some of the surrounding counties are increasing in cases. Caution is still the best response. LUMC will remain in its current status of restricted opening for LiveStream worship and other approved uses. The numbers are moving in the right direction! Vaccinations will help us!
