### **Daylight Savings Time Begins This Sunday!**

Don't forget to turn your clocks ahead one hour before you go to bed on Saturday night!

### **Lent 4 Is This Sunday!**

As we journey to the fourth stop on the Lenten path, the Fourth Sunday in Lent, The Crucified Christ's theme greets us with a message for the season during the LiveStream service at 9:00 a.m. on Sunday. We'll examine Mark's account of

Jesus' crucifixion. An attentive reader will realize that Mark doesn't offer any details of Jesus' crucifixion in his version of the story. Its brevity serves Mark's story well since the truth isn't always found in the details. Oddly, Jesus' physical suffering isn't the heart of Mark's concern. Mark's focus is on the meaning behind, or out of sight of, the crucifixion. Humiliated into carrying his crossbeam, Jesus walks with a heart full of sorrow to the place of his suffering. At the beginning of the Gospel--at his baptism--Jesus stood in solidarity with all the people from Jerusalem and Judea who'd come out to wade into the Jordan's waters, confess their sins, and promise to listen for good news! Now, Jesus carries a crossbeam, again in solidarity with all the people, as his baptism into death approaches, and he becomes his who knows no sin becomes the people's sin and shame. As we approach Holy Week and Easter, let's be aware of God's reconciling love that's still at work today, healing the sick, comforting the dying, feeding the soul, and walking with the forgotten.

### Mission Opportunity with Bethel Hill UMC

This April we celebrate Easter, the most important event in the history of the world: Christ died to forgive our sins and the sins of the world. Three days later he rose from the grave, he then ascended into heaven forty days later. His gift is

offered with only one condition, that we accept Christ into our hearts. In Matthew 22, verses 34 thru 40 he gives us his two greatest commandments; "Love the Lord your God with all your heart, with all your soul and with all your mind; and the second one; Love your neighbor as yourself." Our mission project addresses both.

We are all blessed to different degrees; with individual talents that we can share with others to praise our Lord. The week after Easter we have an opportunity to construct an entire frame of a home, which will be given to a deserving family in the Lehigh Valley. Click [here](#) for more details.

**The Church and Society Committee** recommends **Workshop #21 - Christopher Columbus: It's Time to Know the Truth!** Most of the stories we hear about Europeans "discovering" America is told from the European perspective. One key to overcoming racism involves listening to stories from alternate points of view. We will explore some of those alternate stories, using Christopher Columbus as a case study. Presenter: Rev. Gary Jacabella, a member of EPA Conference Committee on Native American Ministry. Read the full description in the brochure for Tools for Ministry.

## Special Lansdale UMC Collection

### Covid-19 Impact Fund Is Making a Difference

Sometimes, simply making a difference is all that's needed. The Covid-19 Impact Fund has been doing just that! Reaching about \$15,000 at its start, we've distributed over \$5,200 to pay 10 rents, make 1 car repair, buy 1 bundle of groceries, help one person get current with their electric bill, help one person get current with their health insurance premiums, and partner with another UMC to provide Christmas presents for 2 families. We are working with several churches in the borough as well as Manna on Main to share the interviewing of those in need and the cost associated with helping. It's been a rewarding experience. In addition to the congregational and community care, we've also paid to buy PPE to return to worship safely at the right time, and pay for costs associated with the LiveStream broadcasts on Sunday mornings.

### Save Your Redner's Receipts!

The UMW is still collecting them. You can either put them in the mail slot by the 4th Street door or simply mail them to the church. Thank you!

## **UPDATED! – COVID-19 STATUS – NEW!**

### **Cases Beginning to Plateau!**

On **Tuesday, March 9th**, Montco's rate of new coronavirus cases inched up to 114 per 100,000 residents, a modest decline of 2% over the last 14 days.

A plateau may be developing. Hospitalizations remain down, and the number of deaths (55 in 14 days) remains a source of sadness. The test positivity rate has declined to 5%, the recommended minimum rate, giving hope that the virus is tamping down. The county is still listed at "very high

risk" based on per capita cases and test positivity, according to Commonwealth and Montco health authorities. The White House Coronavirus Task Force lists Montco in "phase yellow." Therefore, caution is still the best course to follow for now. We're inching closer to a limited return to in-person worship. Until then, LUMC will remain in its current status of restricted opening for LiveStream worship and other approved uses. The numbers must continue moving in the right direction! Vaccinations are essential to help that happen! Be in prayer as we close in on a full year of the pandemic emergency.
