Join Us this Easter Sunday!

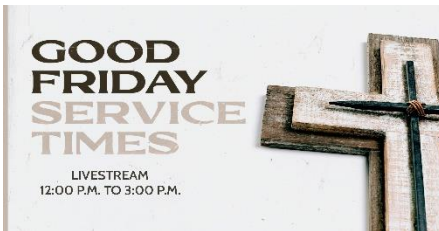

Lent's journey to
Jesus' tomb
reaches its climax
on Holy Saturday. A

year ago, as Covid-19 related deaths were mounting, families found themselves shocked by loved one's deaths and stunned that funerals weren't permitted. Ironically, after Jesus' death, he was hurriedly buried without a funeral or mourners gathered to share their tears and memories. They'd forgotten that Easter was coming with the next sunrise. LUMC will gather by LiveStream a little after sunrise on Easter Sunday, April 4, at 9:00 a.m. to celebrate the resurrection of our Savior Jesus, the Lord. Mark's Easter Gospel has an imperfect beginning. What about its ending? Is it imperfect too? Some scholars think so. Where did the women purchase spices at night? A Jerusalem Wal-Mart or Wawa? There's scant evidence supporting a custom of preparing bodies for burial. It's a rough start for an ending. Something feels out of sync from the start. The women are overwhelmed with terror and dread at the sight of the empty tomb. They're not too keen on the enigmatic luminous being either. So, they flee (v.8a), and that's the original ending's end. Scholars of all stripes have long thought that v.8b is an extraneous addition, an embarrassing aside, to explain the women's strange behavior. Is fleeing the scene truly a strange response? No! The ending at v.8a is perfect! The women must go back to Galilee (to the beginning) to see the risen Jesus. Only then can the women and the other disciples know the beginning was real and the ending is perfect. It was and is as an expression of faith, of trust, of loyalty. They didn't have to explain it all to know it's true. Christ is Risen!

Maundy Thursday LiveStream at 6:30 P.M.!

On **Maundy Thursday**, a LiveStream service will start with sacred music and contemporary music at **6:00 p.m.** to set the service's tone. Worship will begin at **6:30 p.m.** The service is built around the significant symbols of Holy Week. During the service, a tableau narrative will identify each of the symbols and their significance to the Holy Week drama of Jesus' last hours before his death and burial. The quartet will be singing, and Pastor Bill will share a meditation based on a poem called "When Twilight Comes." The image of a hen caring for her young as night falls may remind you of God's loving presence when trouble comes our way.

Good Friday LiveStream from 12:00-3:00 PM!

On **Good Friday**, a 3-hour LiveStream service from **12:00 - 3:00 p.m.** will feature readings, meditations, artwork, and sacred choral and contemporary music at the top and bottom of each hour for 15 minutes (:00 - :15 and :30 - :45). The Broadcast Team is honored to bring worship to your homes on Good Friday. Spread the word! Invite family and friends to join you! Announce to all you know that Christ Is Risen! Don't forget to visit the church's Holy Week 2021 page on our [website](#) to access services and information to help you participate meaningfully in all the services. Blessed Holy Week and Easter to all!

Conversations on Race

Conversations on Race recently resumed with an analysis of the presidential election results and what they say about racism in America. Our group decided to concentrate its efforts on a meaningful Lenten experience to face the "isms" (racism, sexism, classism) that keep us from meeting our neighbors eye-to-eye as equals in Christ's eyes, on a level plain. If you'd like to help plan the experience, you're welcome to join the conversation. The next Zoom Meeting will be announced soon. Here's the

Covid-19 Impact Fund Is Making a Difference

Sometimes, simply making a difference is all that's needed. The Covid-19 Impact Fund has been doing just that! Reaching about \$15,000 at its start, we've distributed over \$5,200 to pay 10 rents, make 1 car

repair, buy 1 bundle of groceries, help one person get current with their electric bill, help one person get current with their health insurance premiums, and partner with another UMC to provide Christmas presents for 2 families. We are working with several churches in the borough as well as Manna on Main to share the interviewing of those in need and the cost associated with helping. It's been a rewarding experience. In addition to the congregational and community care, we've also paid to buy PPE to return to worship safely at the right time, and pay for costs associated with the LiveStream broadcasts on Sunday mornings.

UPDATED! – COVID-19 STATUS – NEW!

Caution and Optimism!

As of **Wednesday, March 31**, the daily report on the case count in Montco is **319** per 100,000 residents. This number represents a 65% increase over last week. The optimal goal is fewer than 100 cases reported within a 14-day

period. We're going in the wrong direction, which isn't the best news. According to the Department of Health and Human Service, the Commonwealth of Pennsylvania, and Montgomery County health authorities, Montco remains in the **very high risk** category at current levels. The test positivity rate has risen to **6%**, one point above the optimal minimum level, which suggests that cases are undercounted. Vaccinations are proceeding, which is genuinely **great news!** Vaccinations will get us back to in-person worship in the quickest way. Please consider prayerfully receiving one of the several safe and effective vaccines. For the time being, caution is the wisest course of action. LUMC will remain in its current status of limited openings for LiveStream worship and other approved uses. Let your prayers flow for the many who are suffering, hospitalized, and for those who have died, and for those grieving their losses.
