

April 8, 2021

It's the Second Sunday of Easter on April 11!

Christ is risen! The Second Sunday is known as "Eighth Day Sunday" as it falls eight days after Easter. Also known as "Thomas Sunday," the usual reading is the eighth day after Easter story of the disciple Thomas meeting the risen Lord and seeing

his wounds, which prompts his great confession, "My Lord, and my God!" from John 20:26-29. However, this Sunday, Pastor Bill will preach the original sermon he planned to preach last Sunday from Mark 16:1-8, "The Perfect Ending." If you couldn't worship with us, PB preached a sermon based on John 20:1-18, reflecting on the dreadful Good Friday killing of a US Capitol police officer, William "Billy" Evans. Miss Liz told the Mary Magdalene story with dramatic flair and deep faith during the service (thanks, Miss Liz). Join us on Facebook or YouTube!

Special Lansdale UMC Collection

Covid-19 Impact Fund Is Making a Difference

Sometimes, simply making a difference is all that's needed. The Covid-19 Impact Fund has been doing just that! Reaching about \$15,000 at its start, we've distributed over \$5,200 to pay 10 rents, make 1 car

repair, buy 1 bundle of groceries, help one person get current with their electric bill, help one person get current with their health insurance premiums, and partner with another UMC to provide Christmas presents for 2 families. We are working with several churches in the borough as well as Manna on Main to share the interviewing of those in need and the cost associated with helping. It's been a rewarding experience. In addition to the congregational and community care, we've also paid to buy PPE to return to worship safely at the right time, and pay for costs associated with the LiveStream broadcasts on Sunday mornings.

UPDATED! – COVID-19 STATUS – NEW!

Caution and Optimism!

The Commonwealth of Pennsylvania and Montgomery County are experiencing a spike in coronavirus cases, including two variants. Going in the wrong direction with cases isn't the best news. According to the U. S. Department of Health and Human Services, the Commonwealth of Pennsylvania, and Montgomery County health authorities, Montco remains in the **very high risk** category at current levels. The county's test positivity rate has risen to **8%**,

which indicates the virus is not in control and suggests that cases are undercounted. Vaccinations are proceeding, which is genuinely **great news!** Vaccinations will get us back to in-person worship in the quickest way. Please consider prayerfully receiving one of the several safe and effective vaccines. For the time being, caution is the wisest course of action. LUMC will remain in its current status of limited openings for LiveStream worship and other approved uses. Let your prayers flow for the many who are suffering, hospitalized, and for those who have died, and for those grieving their losses.
