UPDATED! – COVID-19 STATUS – NEW!

Montco's unvaccinated population currently runs a high risk for Covid-19 infections. However, average cases in the county have fallen to fewer than 25 a day. Vaccinations are running at a good pace. In-person and online worship options at LUMC are now available. Partially and unvaccinated people should still wear a mask. The Board of Trustees, with Pastor Bill's consent, will reopen the church for church-related activities only until at least **June 30th**. Masks are required for all people who are partially or unvaccinated.

On **Sunday, July 4th**, Rays and Ruth will take the helm of the service, while on **Sunday, July 11th**, a team of people led by our Lay Leader, Paul Bonner, will be leading. We're very grateful that so many people with servant's hearts are pitching in during the transitional season. Please be in prayer for all concerned. June's Mission Emphasis – UMCOR International

The United Methodist Committee on Relief (UMCOR) responds to dozens of unsung disasters every year. UMCOR is there even when the news cameras are not. Whether it is the South Asia tsunami or cholera in Cameroon or Ebola in West Africa, UMCOR is there: sowing seeds of hope and empowering communities to step forward to a new and better future. When a natural or human-caused disaster strikes outside of the United States, UMCOR serves as the primary channel for United Methodist assistance. This includes supports refugees fleeing disasters with food, water, hygiene and other essential nonfood supplies and temporary shelter. UMCOR cooperates with local bishops, district superintendents, and church leaders to help them develop their own response mechanisms. UMCOR trains disaster response coordinators for each district or region to:

1. Categorize disasters
2. Recognize common phases or stages of disasters
3. Balance needs vs. capacity to respond
4. Create a disaster-response plan
5. Use material resources and volunteers efficiently
6. Network with local and national partners
8. Adhere to Sphere Minimum Standards in Humanitarian Response & ICRC Humanitarian Code of Conduct

The coordinators use this information and training to network with other local groups and governments to respond to emergencies in their areas. This increases the capacity of local disaster response units. You can support June's Mission Emphasis in three ways: Snail mail your check payable to LUMC, memo: UMCOR International in your Blue Envelope or give on our website at Lansdaleumc.org/giving, click the dropdown menu to find UMCOR International or text message your gift to 73256 with the message "LansdaleFirstUMC." Thank you for your generous support!
