Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Email Pastor Warner ([stewwarner@outlook.com](mailto:stewwarner@outlook.com)) if you would like to serve on this team as we seek to be in mission to our surrounding community.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

We took a break during the Thanksgiving/Christmas season. New Cottage Meetings will begin in February. We're looking for hosts for the new meetings. Hosts open their home for meeting attendees and provide light refreshments. Hosts are also encouraged to invite others to attend the meeting at their home. And people are invited to call the Host to let them know they will be attending. Thank you to everyone who hosted the first five meetings. Did you know we have a team of people from our congregation who visit shut-ins? This team has been visiting and at times taking communion elements to shut-ins. We currently have fifteen people who are being visited. We would like to invite more people to be part of this visitation team. Contact Pastor Warner or Maryellen Reinmiller if you are interested in being part of this caring team, and would like to know more about this caring ministry.

LUMC will be offering a community block party in our parking lot in summer 2022. Date is yet to be set. Pastor Warner is looking for people to be part of this planning team as we seek to build bridges and connections with people in our community. The Block Party will also be a time for us to make connections with local agencies and municipalities. We will have activities for children and youth and hope to have lots of food as well. Email Pastor Warner ([stewwarner@outlook.com](mailto:stewwarner@outlook.com)) if you would like to serve on this team as we seek to be in mission to our surrounding community.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Contact Pastor Warner or Maryellen Reinmiller if you are interested in being part of this caring team, and would like to know more about this caring ministry.

### Community Block Party Team

LUMC will be offering a community block party in our parking lot in summer 2022. Date is yet to be set. Pastor Warner is looking for people to be part of this planning team as we seek to build bridges and connections with people in our community. The Block Party will also be a time for us to make connections with local agencies and municipalities. We will have activities for children and youth and hope to have lots of food as well. Email Pastor Warner ([stewwarner@outlook.com](mailto:stewwarner@outlook.com)) if you would like to serve on this team as we seek to be in mission to our surrounding community.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Email Pastor Warner ([stewwarner@outlook.com](mailto:stewwarner@outlook.com)) if you would like to serve on this team as we seek to be in mission to our surrounding community.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

### Cottage Meetings to resume Winter 2022

Cottage Meetings this Fall saw 33 people who attended during October and the first week of November. People from college students to seniors in their 90's. We took a break during the Thanksgiving/Christmas season. New Cottage Meetings will begin in February. We're looking for hosts for the new meetings. Hosts open their home for meeting attendees and provide light refreshments. Hosts are also encouraged to invite others to attend the meeting at their home. And people are invited to call the Host to let them know they will be attending. Thank you to everyone who hosted the first five meetings. And thank you ahead of time to those of you who will be hosting meetings this Winter. Contact the church office or Geri Hare if you are able to host a meeting.

### New Horizons Adult Class

### Pastor Warner looking for Introductions

Pastor Warner has been active and involved in local communities his entire ministry. He is looking for people to help personally introduce him to services, leaders, and groups in the community. People in the past have even given him a tour of the community. Please contact Pastor Warner if you are able to connect him with community groups and leaders.

### Congregational Care Team Update

Did you know we have a team of people from our congregation who visit shut-ins? This team has been visiting and at times taking communion elements to shut-ins. We currently have fifteen people who are being visited. We would like to invite more people to be part of this visitation team. Contact Pastor Warner or Maryellen Reinmiller if you are interested in being part of this caring team, and would like to know more about this caring ministry.

### Community Block Party Team

LUMC will be offering a community block party in our parking lot in summer 2022. Date is yet to be set. Pastor Warner is looking for people to be part of this planning team as we seek to build bridges and connections with people in our community. The Block Party will also be a time for us to make connections with local agencies and municipalities. We will have activities for children and youth and hope to have lots of food as well. Email Pastor Warner ([stewwarner@outlook.com](mailto:stewwarner@outlook.com)) if you would like to serve on this team as we seek to be in mission to our surrounding community.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

We already have several people who have indicated they would like to become members here at LUMC. Please contact Pastor Warner ([stewwarner@outlook.com](mailto:stewwarner@outlook.com)) if you would like to be part of this class.

### Church Workday Coming Up

The Trustees are having a Workday on Monday, January 17 and are looking for volunteers to assist with projects. We will start at 8:30 am and go until noon. Please let one of the Trustees or the church office know you are coming. Thanks in advance for your cooperation.

### Offering Envelopes for 2022

The job requires proficiency on the computer and with Microsoft Office programs, attention to details, ability to manage multiple projects, managing the church office, ordering supplies, maintenance of church databases, receptionist, working and coordinating with volunteer ministries, typing correspondence and documents. This person will also help update our online media i.e. Facebook & YouTube pages, as well as work with the volunteer website manager/coordinator. This person will also work closely with the Pastor and paid church staff to resource and coordinate volunteer ministry teams. Contact Pastor Warner ([stewwarner@outlook.com](mailto:stewwarner@outlook.com)) for salary information, a copy of the job description and a job application. Please share this information with your friends and contacts. We also ask for your prayers during this search.

### Custodian Search Update

Trustees and SPR are continuing to work together to review and revise the job description. We covet any suggestions or recommendation you may have. Please continue to pray for God to lead us during this search.

### Cottage Meetings to resume Winter 2022

Cottage Meetings this Fall saw 33 people who attended during October and the first week of November. People from college students to seniors in their 90's. We took a break during the Thanksgiving/Christmas season. New Cottage Meetings will begin in February. We're looking for hosts for the new meetings. Hosts open their home for meeting attendees and provide light refreshments. Hosts are also encouraged to invite others to attend the meeting at their home. And people are invited to call the Host to let them know they will be attending. Thank you to everyone who hosted the first five meetings. And thank you ahead of time to those of you who will be hosting meetings this Winter. Contact the church office or Geri Hare if you are able to host a meeting.

### New Horizons Adult Class

New Horizons will meet in-person in the Conference Room and complete our study of the book titled "The Heart That Grew Three Sizes" by Matt Rawle. This final session is titled "When Joy Is Our Song". All are welcome to join us immediately following the morning worship service.

### Pastor Warner looking for Introductions

Pastor Warner has been active and involved in local communities his entire ministry. He is looking for people to help personally introduce him to services, leaders, and groups in the community. People in the past have even given him a tour of the community. Please contact Pastor Warner if you are able to connect him with community groups and leaders.

### Congregational Care Team Update

Did you know we have a team of people from our congregation who visit shut-ins? This team has been visiting and at times taking communion elements to shut-ins. We currently have fifteen people who are being visited. We would like to invite more people to be part of this visitation team. Contact Pastor Warner or Maryellen Reinmiller if you are interested in being part of this caring team, and would like to know more about this caring ministry.

### Community Block Party Team

LUMC will be offering a community block party in our parking lot in summer 2022. Date is yet to be set. Pastor Warner is looking for people to be part of this planning team as we seek to build bridges and connections with people in our community. The Block Party will also be a time for us to make connections with local agencies and municipalities. We will have activities for children and youth and hope to have lots of food as well. Email Pastor Warner ([stewwarner@outlook.com](mailto:stewwarner@outlook.com)) if you would like to serve on this team as we seek to be in mission to our surrounding community.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

This person will also help update our online media i.e. Facebook & YouTube pages, as well as work with the volunteer website manager/coordinator. This person will also work closely with the Pastor and paid church staff to resource and coordinate volunteer ministry teams. Contact Pastor Warner ([stewwarner@outlook.com](mailto:stewwarner@outlook.com)) for salary information, a copy of the job description and a job application. ### Custodian Search Update

Trustees and SPR are continuing to work together to review and revise the job description. We covet any suggestions or recommendation you may have. Please continue to pray for God to lead us during this search.

### Cottage Meetings to resume Winter 2022

Cottage Meetings this Fall saw 33 people who attended during October and the first week of November. People from college students to seniors in their 90's. We took a break during the Thanksgiving/Christmas season. New Cottage Meetings will begin in February. We're looking for hosts for the new meetings. Hosts open their home for meeting attendees and provide light refreshments. Hosts are also encouraged to invite others to attend the meeting at their home. And people are invited to call the Host to let them know they will be attending. Thank you to everyone who hosted the first five meetings. And thank you ahead of time to those of you who will be hosting meetings this Winter. Contact the church office or Geri Hare if you are able to host a meeting.

### New Horizons Adult Class

New Horizons will meet in-person in the Conference Room and complete our study of the book titled "The Heart That Grew Three Sizes" by Matt Rawle. This final session is titled "When Joy Is Our Song". All are welcome to join us immediately following the morning worship service.

### Pastor Warner looking for Introductions

Pastor Warner has been active and involved in local communities his entire ministry. He is looking for people to help personally introduce him to services, leaders, and groups in the community. People in the past have even given him a tour of the community. Please contact Pastor Warner if you are able to connect him with community groups and leaders.

### Congregational Care Team Update

Did you know we have a team of people from our congregation who visit shut-ins? This team has been visiting and at times taking communion elements to shut-ins. We currently have fifteen people who are being visited. We would like to invite more people to be part of this visitation team. Contact Pastor Warner or Maryellen Reinmiller if you are interested in being part of this caring team, and would like to know more about this caring ministry.

### Community Block Party Team

LUMC will be offering a community block party in our parking lot in summer 2022. Date is yet to be set. Pastor Warner is looking for people to be part of this planning team as we seek to build bridges and connections with people in our community. The Block Party will also be a time for us to make connections with local agencies and municipalities. We will have activities for children and youth and hope to have lots of food as well. Email Pastor Warner ([stewwarner@outlook.com](mailto:stewwarner@outlook.com)) if you would like to serve on this team as we seek to be in mission to our surrounding community.

Eastern PA Conference Guidelines for Dealing with Omicron

The Eastern PA Conference office has put out an updated "Best Safety Practices during Increasing Covid Transmission" document in response to the rapidly spreading Omicron variant. You can view the document by clicking on this link.

https://myemail.constantcontact.com/NEWSpirit-Alert--Best-Safety-Practices-during-increase-in-COVID-transmissions.html?soid=1115113910561&aid=9W5DKvXUrmE.

LUMC is already following the majority of this guidance. Trustees have reviewed the document and have made the following adjustments for the month of January.

- Continue to wear masks at all times when in the church building. Persons speaking from front of Sanctuary may remove masks when speaking but then put mask back on when not speaking.
- Social distancing. People sit in every other pew and keep six feet from any non-related persons.
- Plenty of hand sanitizer is located throughout the Narthex and Sanctuary for people to use.
- No meals, receptions, or activities that will involve people removing their masks and interacting with others for the month of January. We're hoping things calm down once the Christmas infections have passed.

Our goal is to provide a safe atmosphere for all who attend any church event here at LUMC. Thank you for your cooperation.

1 Corinthians 12:4–6 (NLT)

There are different kinds of spiritual gifts, but the same Spirit is the source of them all. There are different kinds of service, but we serve the same Lord. God works in different ways, but it is the same God who does the work in all of us.
