***Song** *Christ Arose* CH #357

Opening Prayer

Eternal God, who was and is and is to come, you are the Alpha and the Omega, the beginning and end of all things. Come to us now in visions and dreams, that our eyes may see more than they see, and our hearts may love more than they love. Make yourself known to us in this time of worship, for in you, we live and move and have our being. Bring your kingdom here on earth, that all may know your glory and find the courage to face each day. We ask this in the name of the one who conquered the grave to bring us eternal life. Amen.
