One of the hardest parts of our decision to move was leaving our "LUMC Family". We have many wonderful memories of LIUMC over the past 28 years, and thanks to the nice photos of the Church you gave us, these memories will live on! We will miss you all, very much. UMC - Heritage Sunday 2022 Today

As we at Lansdale First United Methodist Church celebrate our 150 years in Lansdale, we also celebrate the history of our Methodist denomination on Heritage Sunday, May 22, 2022. Here is what that means for us as a United Methodist Church: *Heritage Sunday shall be observed on Aldersgate Day (May 24), or the Sunday preceding that date (this year it is May 22). The day provides an opportunity for reflection on heritage, celebration of where the Church has been, how it understands itself as it shapes us today, and the meaning of Christian conferencing. Heritage*

Sunday calls the Church to remember the past by committing itself to the continuing call of God. from 264.1, The Book of Discipline. The theme for Heritage Sunday 2022 is "**Splits, Separations, and Reconciliations.**" From now through the remainder of the year, GCAH will be producing and releasing a number of resources to help the denomination to understand better the multifaceted and multi-faced history of the Methodist movement in a global context. From the original split from the Church of England in 1784 to smaller splits over the last 250 years, we'll examine how and why various schisms happened. We'll also look at different mergers and attempts at reconciliation to learn how Methodists come (back) together. And we'll do all of this with Wesley's words as a guide: "If there be any word in the English tongue as ambiguous and indeterminate in its meaning as the word Church, it is one that is nearly allied to it -- the word Schism." - John Wesley, 'On Schism'
