July and Aug Missions Emphasis (Blue Envelope)

Liberty Ministries was established in 1980 to serve the inmate populations of Montgomery County Correctional Facility and the State Correctional Institution at Grater ford. Since that time, Liberty Ministries has positively impacted thousands of men and women inmates and ex-inmates with the teaching of the Word of God, spiritual, physical, and emotional support, and the life changing power of Jesus Christ.

"Liberty Ministries exists to serve offenders in prison and ex-offenders in the community by showing God's love, providing practical assistance and supporting biblical standards of justice."

Liberty Ministries is committed to providing the resources, tools, and training that these men and women need to turn their life around. Working inside the prisons and in our after-care residential facilities, our team of skilled chaplains, counselors and mentors engage these men and women in a variety of ways. From addictions counseling and support groups to vocational training, to spiritual development, to character-directed therapy, our programs invest into the lives of those struck in addiction and crime.

Please email Pastor Warner (stewwarner@outlook.com) if you would like to participate in this class. The class is open to new people and also to people who are already members who want to learn more about ministry here at LUMC and in the UM church.
