L: God of incarnate love,

P: We marvel at the magnificent family tree that your divine love has created among us.

L: God of welcoming love,

P: We thank you that you have made a home for us within the branches of your family tree.

L: God of everlasting love,

P: We worship you; we love you, and we honor you with all that we are.

***Song** Come, Thou Fount of Every Blessing Traditional

(Ushers will collect prayer cards during the hymn)

Opening Prayer Paul Bonner

Holy God, we humble our hearts before you in thanksgiving and awe. For by your mercy, we find ourselves at home in the branches of your family tree. We discover ourselves to be a people with a love that never fails. We find ourselves within your grand love story for all time and all creation. Whom can we thank, but you, for such great mercy? Bring your kingdom into our midst as we worship you this day. Amen.

Scripture Reading Psalm 23 UMH 754 Paul Bonner

L: The Lord is my shepherd; I shall not want.

P: The Lord makes me lie down in green pastures,

L: Leads me beside still waters, restores my life,

P: Leads me in right paths for the sake of the lord' name.

L: Even though I walk through the darkest valley, I fear no evil.

P: For you are with me; your rod and your staff, they comfort me.

L: You prepare a table before me in the presence of my enemies.

P: You anoint my head with oil, my cup overflows.

L: Surely goodness and mercy shall follow me all the days of my life.

P: And I shall dwell in the house of the lord as long as I live.

Thank You from Pastor Warner

Thank you for the wonderful retirement recognition this past Sunday. I was deeply touched by so many of you wishing me well. Michelle Johnson's words of presentation of the gifts from the congregation was very moving. Thank you for the card, check, and picture of the church. The canvases from the Children's Sunday School were really cool and will hang on the wall of my new office. Thanks to Mark Reinmiller for the creative way of putting my name into a steel beam from Eggleston Hall demolition at Camp Innabah. Thank you for your words of encouragement. It was a deeply moving day. God's blessing on you all in the coming months and years. Stew

June 2024 Missions Emphasis (Family Promise)

The Interfaith Hospitality Network (IHN) is Family Promise Montco PA's emergency shelter program. The Network provides Montgomery County families with children who are experiencing homelessness with a safe place to stay, along with supportive services, for approximately 90 days. Family Promise Montco PA participates in Your Way

Home, Montgomery County's unified and coordinated housing crisis response system for families and individuals experiencing or at imminent risk of homelessness.

Twenty-six "host" and "buddy" congregations house and support our families for one month each year at their places of worship. Families are provided with comfortable accommodation in classrooms converted to bedrooms or other safe spaces. Volunteers from the congregation, who typically contribute more than 3,000 hours of their time each year, prepare and share meals, provide overnight assistance, and help with transportation. Many volunteers make special connections to our families, often providing a level of genuine intrinsic support that bolsters our families and brings them further into a community that is invested in their success.

Participating families spend the day at work, school, or at Family Promise's Day Center, where staff provides intensive case management and comprehensive support services to help families resolve their homelessness. These services help parents care for themselves and their families, improve their life skills and decision-making abilities, and develop the internal resources necessary to become self-sufficient.

Hope Gardens is a housing program for low-income families with children.

This program provides a secure home for families for up to two years while they gain the tools, they need to become financially stable and self-sufficient. Families living at Hope Gardens receive comprehensive support services to help ensure their long-term success, including intensive case management, life skills education, basic needs support, and aftercare to help ensure their long-term success and their continued stability after graduation from the program.

To address the disconnect between the needs of low-income families and the availability of affordable housing in Montgomery County Family Promise created a Supportive Housing Program at an Ambler property, Hope Forest, which opened in 2016, and a Lansdale property, Hope on Fifth, which was purchased in 2021. Both locations contain two apartments that can house two families moving toward self-sufficiency.

In addition to participating in the Interfaith Hospitality Network LUMC provides financial support for these and other programs provided by Family Promise.

For several years our congregation has supported St. John UMC, a church that serves the Native American community, helping to meet their physical as well as spiritual needs. When there is a fifth Sunday in the month, the worship service is Native American. The Missions Committee Chair Mark Reinmiller

invites you to join a group to visit St. John UMC for the June 30 morning worship service. You will be blessed to experience the worship and fellowship with the folk in this Native American community. A short history lesson will be offered after the 11 o'clock service and snacks will be provided.

Donations to their community food cupboard are always welcome. Cynthia Mosley, a member of St. John, expresses her gratitude, "Thanks for continuing to be our friend for some years now. We feel that you really care about the needs of the community."
