Prelude *Be Exalted, O God* Chambers

Greetings & Announcements Luann Ingram

***Call to Worship** Michele Dasch

L: In times of trouble and hardship, when we question the relevance of the good news, God calls to us

P: Open your heart.

L: When fear and misinformation infiltrate our relationships, and we don't know who to trust, God calls to us

P: Open your heart.

L: When joy overflows, and we witness the fruit of grace all around us, transforming our lives and our communities into places of connection and flourishing, God calls to us

P: Open your heart.

L: May this time of worship be for each of us a time to listen to God's call to open our hearts and accept the divine invitation to say yes to the work of grace in us, among us, and all around us.

P: Together - We open our hearts to receive your gift of grace, knowing you hold us securely in the palm of your hands that we might have the courage to live in a vulnerable community with you and one another.

***Song** *Majesty* Hayford

(Ushers will collect prayer cards during the hymn)

Opening Prayer Michele Dasch

Holy God, we extol and honor you for who you are. We praise you for your faithfulness and for your tender mercies that are renewed every morning. We exalt you, Sovereign One, for every blessing of yesterday, the gift of this day, and the promises of our tomorrows. Grant us an enduring faith as we strive against oppression and despair. Endow us with contagious joy that uplifts the downtrodden and inspires hope in you. Increase in us the faith and courage of the prophets, the love of Jesus, and the wisdom of the Holy Spirit. In your majestic name we pray, Amen.

June 2024 Missions Emphasis (Family Promise)

The Interfaith Hospitality Network (IHN) is Family Promise Montco PA's emergency shelter program. The Network provides Montgomery County families with children who are experiencing homelessness with a safe place to stay, along with supportive services, for approximately 90 days. Family Promise Montco PA participates in Your Way Home, Montgomery County's unified and coordinated housing crisis response system for families and individuals experiencing or at imminent risk of homelessness.

Twenty-six "host" and "buddy" congregations house and support our families for one month each year at their places of worship. Families are provided with comfortable accommodation in classrooms converted to bedrooms or other safe spaces. Volunteers from the congregation, who typically contribute more than 3,000 hours of their time each year, prepare and share meals, provide overnight assistance, and help with transportation. Many volunteers make special connections to our families, often providing a level of genuine intrinsic support that bolsters our families and brings them further into a community that is invested in their success.

Participating families spend the day at work, school, or at Family Promise's Day Center, where staff provides intensive case management and comprehensive support services to help families resolve their homelessness. These services help parents care for themselves and their families, improve their life skills and decision-making abilities, and develop the internal resources necessary to become self-sufficient.

Hope Gardens is a housing program for low-income families with children. This program provides a secure home for families for up to two years while they gain the tools, they need to become financially stable and self-sufficient. Families living at Hope Gardens receive comprehensive support services to help ensure their long-term success, including intensive case management, life skills education, basic needs support, and aftercare to help ensure their long-term success and their continued stability after graduation from the program.

To address the disconnect between the needs of low-income families and the availability of affordable housing in Montgomery County Family Promise created a Supportive Housing Program at an Ambler property, Hope Forest, which opened in 2016, and a Lansdale property, Hope on Fifth, which was purchased in 2021. Both locations contain two apartments that can house two families moving toward self-sufficiency.

In addition to participating in the Interfaith Hospitality Network LUMC provides financial support for these and other programs provided by Family Promise.

Visit to St. John UMC in Bridgeton NJ on June 30

For several years our congregation has supported St. John UMC, a church that serves the Native American community, helping to meet their physical as well as spiritual needs. When there is a fifth Sunday in the month, the worship service is Native American.

The Missions Committee Chair Mark Reinmiller invites

you to join a group to visit St. John UMC for the June 30 morning worship service. You will be blessed to experience the worship and fellowship with the folk in this Native American community. A short history lesson will be offered after the 11 o'clock service and snacks will be provided.

Donations to their community food cupboard are always welcome. Cynthia Mosley, a member of St. John, expresses her gratitude, "Thanks for continuing to be our friend for some years now. We feel that you really care about the needs of the community."
